In 2002, Atey Gıda acquired all intellectual, industrial and commercial rights to Neron Energy Drink, whose original recipe was created in Stuttgart, Germany in 1997. Neron, which is equivalent to the most famous and premium products on the market today in terms of its original recipe and even surpasses many of them in terms of taste and satisfaction,

has completed the necessary certifications by registering its trademark in dozens of countries under the roof of Atey. These certifications include FDA approval and authorization, food safety management certification and halal certification. Also Atey added many new flavors and recipes to the original taste, from coffee to carob. Efforts are underway to gain a foothold in the Middle East and the US market. Neron energy drink is currently available in Classic, Ginseng, Ginger, Coffee, Ginseng and Ginger, Ginseng sugar-free, Ginger sugar-free, Honey and pollen, Strawberry, Carob, Black Grape, Aronia, Black Plum, Blueberry, Licorice and even Watermelon. The highest quality and original raw materials are used in all products.
